

Thank You

Dear Elaine + Yorkshire  
Belles,

just a note to say  
thank you again for the  
use of your beautiful  
bus - it was a really  
special addition to the  
day.

Your photos arrived today  
and look great - feel  
free to use them on your  
website - could you

email me when they go  
up so I can take a look!

Thanks again, we made  
a point with most of  
our wedding arrangements  
to choose small family  
run businesses as we  
feel the personal touch  
is really important - we  
will certainly recommend  
you in the future

Best wishes,  
Helen + Michael
