Dear Claire,

I just want to say a big 'thank you' for giving the wedding guests such a lovely ride to and from the church. The Yorkshire Belle caused quite a stir and was a real highlight for the guests - especially the youngsters! I'm just sorry I didn't get a ride myself!

Several of the guests commented how nice it was that you went round + talked to them, and they appreciated your humorous comments about the air conditioning!!

Very best wishes,

Claire (Winstanley)
