Dear Elaine

We wanted to say a big thank you, for providing the bus for our wedding. We have sent you some photographs on a CD and also a little recommendation that you may want to use on your website or any other promotional work, with any of the photographs. Thank you so much. The wedding day was absolutely fab and our guests loved the “big red bus”!

Many Regards,
Ellie and Russell Tuffin

“We hired the route master for our wedding in August 2008 and we are so glad we did! It made transporting our guests fun and people are still talking about it. Elaine, was so friendly from our initial enquiry to the day itself and planned the route meticulously so that we didn’t have to worry about a thing. The photographs we have of us and the bus are a great way to remember the day and they will always make us smile. We loved the bus so much that we used it to travel to the reception with our guests, as we didn’t want to miss out on the fun. I would recommend Yorkshire Belles to anyone! They are quite simply fab.”
